## 23<sup>rd</sup> ANNUAL GOLF TOURNAMENT

**Wednesday, October 1, 2025 at Lakeview Golf Course**

Greetings!

It is our pleasure to invite you and your organization to attend the 23rd Denton Golf Tournament on Wednesday, October 1, 2025. Each year, we host the Denton Golf Classic to support a local nonprofit. We are excited to announce this year's beneficiary is Mercy House, Inc. — a homeless shelter dedicated to helping families transition from homelessness to stable housing.

The mission of Mercy House is to end family homelessness by offering rapid rehousing programs, emergency shelter, and case management services to help families in our community regain stability and self-sufficiency. Working closely with landlords, local housing authorities, and service providers, Mercy House helps families secure safe, affordable, and permanent housing.

By ensuring children remain in school and families receive the tools they need to succeed long-term, Mercy House is breaking the cycle of poverty. Mercy House also works to advocate for systemic changes that expand affordable housing options and prevent homelessness before it happens.

The Denton Fall Golf Classic is hosted by Lakeview Golf Course. Golfers enjoy an 18-hole Captain's Choice tournament. Lunch and dinner are provided. Although the Denton Family Foundation is endowed by the generosity of E. Warren Denton, Jr., additional revenues are needed to continue to support community building and nonprofit organizations.

We invite you to sponsor the 2025 Fall Golf Classic and help us make a lasting impact on families in need. Enclosed, you will find a sponsorship form and a return envelope. More details can also be found on our website at [dentonfamilyfoundation.net](http://dentonfamilyfoundation.net). The Denton Family Foundation is a 501(c)3 private foundation; all donations to the Foundation are deductible as charitable contributions.

We are grateful for your past support and look forward to your continued partnership in strengthening our community through Mercy House.

Sincerely,
